The Master of Information Management and Data Science (MIDS) program draws upon computer science, social sciences, statistics, management, and law. Students use the latest tools and analytical methods to work with data at scale, derive insights from complex and unstructured data, and solve real-world problems.

Median Salary (all)  
$128,000  
Median Salary (US)  
$130,000

75% of respondents received a salary increase  
87% of respondents say MIDS positively contributed to career
