Welcome to Charity Wallet!

Making donations has never been easier. Charity Wallet keeps track of the remainder change from everyday transactions and helps you make a difference in the world.

So make your change count, one cent at a time!

Donate to specific Drives!

Donating to drives that cater to specific goals gives you more transparency into what your money is being used for.

Donate to a drive you really care about!

Get updates on your Drives!

Get updates from charities in your personal feed, and see how your money is helping make a difference in the world!

Your money, your control!

Choose whether to donate weekly or monthly. Set maximum limits for monthly donations and much more.

With Charity Wallet, your money is in your control!
