PROFESSIONAL EXPERIENCE

Ernst & Young LLP

Senior Tax Analyst: Global Compliance and Reporting

Feb 2022 – Nov 2023

Los Angeles, CA

- Built models in Excel to calculate current year tax liabilities and forecast the next year's tax position
- Tested the accuracy and the reasonableness of tax deliverables for quality control purpose
- Supervised junior members to complete assigned work and guide them through firm resources
- Oversaw the workflow and communicated between teams to smooth out the working process
- Drafted tax provision memo including analysis of tax account dynamics and current tax position

Armanino LLP

Senior Tax Associate: Corporate

Jan 2021 - Aug 2021

San Ramon, CA

- Read into client financials to understand the accounts activity, and prepared annual ASC 740 provision calculation for 10-K reports
- Inquired about the supporting details on the R&D qualifying expenses and calculated for credit
- Researched tax topics and drafted letters in response to government notices and correspondences

Crowe LLP

Tax Associate: Global Client Service

Jul 2019 - Dec 2020

San Francisco, CA

- Sorted, analyzed and organized massive client financial information to transform the documents into import-friendly data for standard workbook.
- Prepared and reviewed tax forms and reports for corporates, partnerships, trusts and individuals
- Extensive experience with international tax calculation, and state franchise and excise tax reportings

J Arthur Greenfield Co. & LLP

Tax Accountant: High-Net-Worth Individual

Feb 2018 - June 2019

Los Angeles, CA

- Prepared tax returns for high-net-worth individuals, trusts, and various pass-through entities
- Calculated quarterly estimated payment, extension and year end planning with BNA Tax Planner
- Provided compliance services including payroll and bookkeeping for client owned entities
